

Hank Berrien, *The Daily Wire*"On Thursday [July 9], de Blasio helped paint a Black Lives Matter mural in front of Trump Tower in Manhattan, and yelled, "We are saying Black Lives Matter in New York City and Black Lives Matter in the United States of America! Let's show Donald Trump what he does not understand; let's paint it right in front of his building for him! ... New York City Mayor Bill de Blasio suggested on CNN that gatherings such as normal parades and fairs would be restricted in his city, but Black Lives Matter protests would not be shut down."

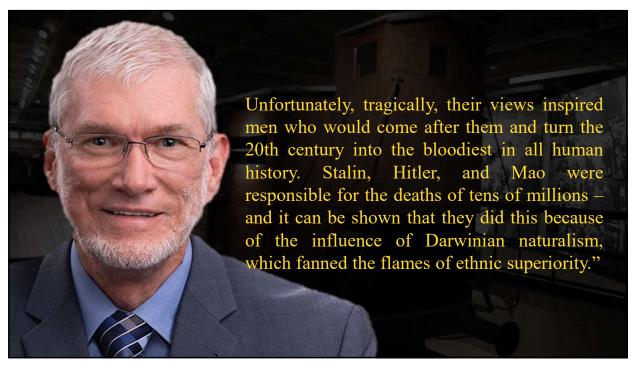

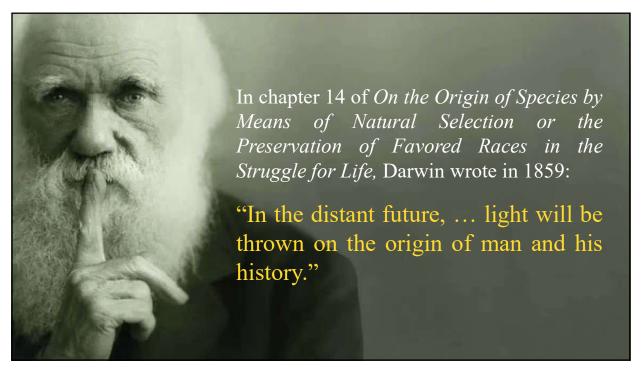

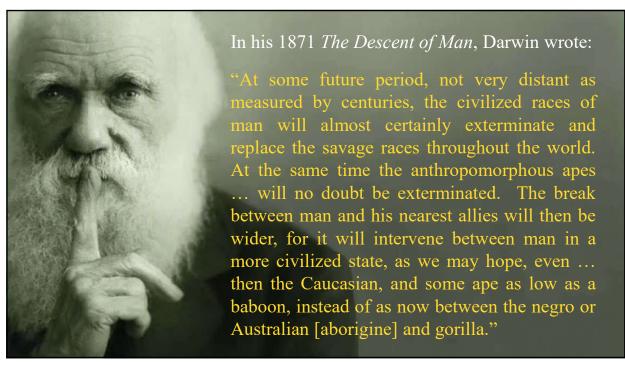

"The railroad car, once you realize what it represents, forces you in, although not in the same way that people it memorializes were forced aboard so many decades ago. The odd smell – which many visitors say must be the smell of death – can't be scrubbed away. It shouldn't be, for it reminds our senses in a visceral way of what happens when men leave God, and malevolent ideas go unchallenged. . . . When Adolph Hitler looked for a 'final solution' for what he called the 'Jewish problem' – he had only to recall what scientists like Ernest Haeckel and liberal theologians embraced: that a purposeless process, known as evolution, had generated all of life's complexity, including civilization itself. It had done so through a pitiless procedure of the strong eliminating the weak. As the influence of this idea spread, the Bible was increasingly taught as myth."

1. There is only ONE race: the human race

Acts 17:26 And He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their preappointed times and the boundaries of their dwellings,

Rom 10:12-13 For there is no distinction between Jew and Greek, for the same Lord over all is rich to all who call upon Him. ¹³ For "whoever calls on the name of the Lord shall be saved."

Gal 3:28 There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus.

Col 3:11 where there is neither Greek nor Jew, circumcised nor uncircumcised, barbarian, Scythian, slave nor free, but Christ is all and in all.

The concept that man evolved rather than being created is an impossibility.

Scripture specifically declares that every living thing reproduces "after its kind" – the complete opposite of evolution.

Mutations, the vehicle evolutionists believe produced an upward evolution of complex life forms from simple forms, is a failed theory.

Roger Lewin, award winning science writer, 1980: "The central question of the Chicago conference was whether the mechanisms underlying micro-evolution can be extrapolated to explain the phenomena of macro-evolution. At the risk of doing violence to the positions of some of the people at the meeting, the answer can be given as a clear, No."

Dr. Lee Spetner, Fellow at Johns Hopkins University, 1998: "All point mutations that have been studied on the molecular level turn out to reduce the genetic information and not to increase it. Not even one mutation has been observed that adds a little information to the genome."

A "literal" Adam is critical to the authenticity of the Gospel:

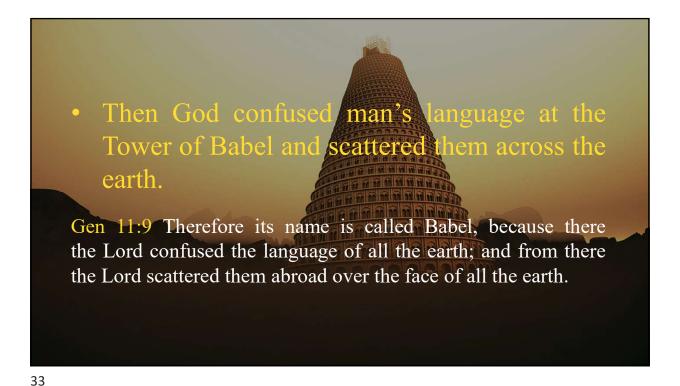

Rom 5:12 therefore, just as through one man sin entered the world, and death through sin, and thus death spread to all men, because all sinned

1 Cor 15:21-22 For since by man came death, by Man also came the resurrection of the dead. ²² For as in Adam all die, even so in Christ all shall be made alive.

1 Cor 15:45 And so it is written, "The first man Adam became a living being." The last Adam became a life-giving spirit.

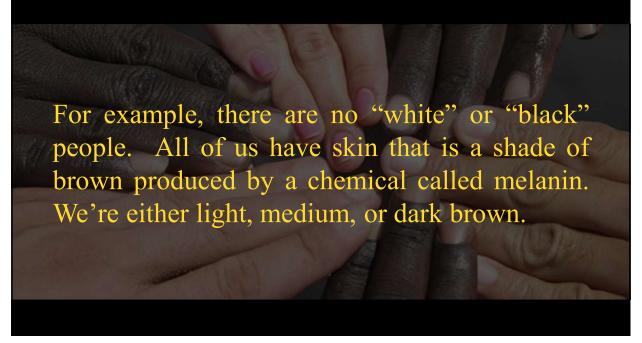

3. So, what accounts for the physical differences in the different people groups?

To illustrate the potential for diversity God designed into creation, consider:

- The number of atoms estimated in the entire universe is believed to be 10^{80}
- The number of combinations of unique children that a male and female human could potentially procreate is 10²⁰¹⁷

Advancement of Science Convention, Atlanta, 1997: "Race is a social construct derived mainly from perceptions conditioned by events of recorded history, and it has no basic biological reality. Curiously enough, the idea comes very close to being of American manufacture."

ABC science page, 1998: "More and more scientists find that the differences that set us apart are cultural, not racial. Some even say that the word 'race' should be abandoned because it's meaningless. ... [W]e accept the idea of race because it's a convenient way of putting people into broad categories, frequently to suppress them. ... The most hideous example was provided by Hitler's Germany."

J. Craig Venter – Human Genome Project, 2000: There is only one race – the human race.

39

Dr. Douglas C. Wallace, Professor of Molecular Genetics, Emory Univ. School of Medicine, Atlanta, 2000: "The criteria that people use for race are based entirely on external features that we are programmed to recognize."

Lluis Quintana-Murci, National Centre for Scientific Research, 2008: "[T]he genes that explain the phenotypic differences [characteristics like hair color, etc.] between populations only represent a tiny part of our genome, confirming once again that the concept of 'race' from a genetic standpoint has been abolished."

The American Biology Teacher, 2011: "... all humans are one race: Homo sapiens. There is absolutely no genetic or evolutionary justification for 'racial' categories of humans."

Jehovah's Witnesses, *The Watchtower* (now *Awake!*), July 24, 1929:

"The curse which Noah pronounced upon Canaan was the origin of the black race."

Bruce McConkie, Mormon leader, 1958:

"We know the circumstances under which the posterity of Cain (and later of Ham) were cursed with what we call Negroid racial characteristics."

In 1956, evangelist John R. Rice expressed the following thoughts:

"... most intelligent people would prefer to have Jim Crow laws than to have unrestrained intermarriage between the races."

"Socially, it is better for both Negroes and whites to run with their own kind and intermarry with their own kind. The mixing of races widely differing is almost never wise. . . . Thus if a girl would do wrong to marry a Negro boy, she would be wrong to keep company with him, mixing regularly with him in a social life."

43

In 1961, M.R. Dehaan expressed his view about interracial marriage with these words:

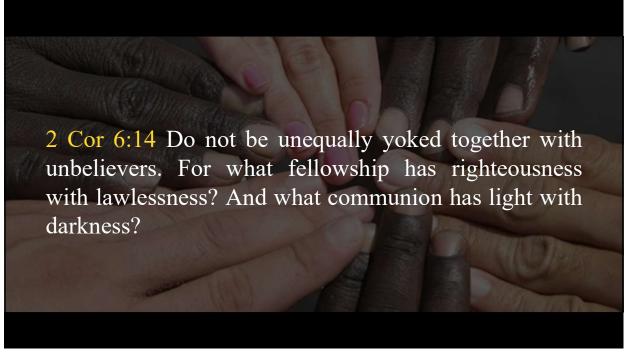

"I feel Negroes and Whites should never intermarry, but where possible live in their own social and religious groups and churches. . . . as far as the intimate relationship and fellowship which comes by living in the same sections in a community, I do not believe that the time is ripe."

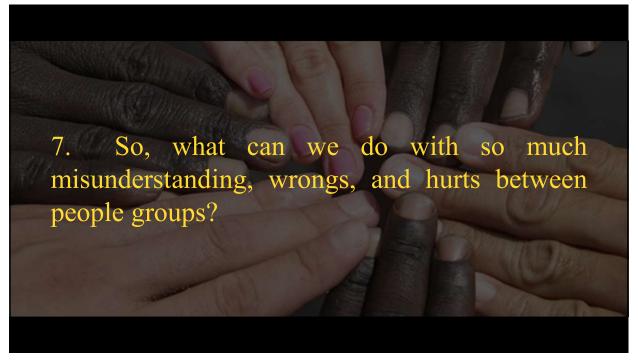

God did forbid the Israelites from intermarrying with the pagan nations around them.

But, that was for spiritual – not physical reasons

- Rahab was a Canaanite but must have married an Israelite because she is in the lineage of Jesus
- Ruth was a Moabitess but married an Israelite and is in the lineage of Jesus

- We cannot undo the past
- We are not responsible for what other people/generations have done
- We must move forward into the future
- We must correct our own misunderstandings or prejudices
- · We must treat all people like the family they are

1 Sam 16:7 But the Lord said to Samuel, "Do not look at his appearance or at his physical stature, because I have refused him. For the Lord does not see as man sees; for man looks at the outward appearance, but the Lord looks at the heart."

Ken Ham offers this summary:

- All humans are equal before God
- All humans are descendants of Adam
- All humans are sinners in need of salvation
- All humans need to receive Jesus Christ as Savior and Lord
- All humans must build their thinking on God's word
- All behaviors, attitudes, beliefs, etc. should be judged against the absolutes of God's Word, no matter what culture one is from

51

- We must remember that although there is one biological race, there are two spiritual races.
- What is the difference in the two races? The way in which they are racing.

Mt 7:13-14 "Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. ¹⁴ Because narrow is the gate and difficult is the way which leads to life, and there are few who find it.
