The kings of the earth will **conspire** together in defiance of the one true God saying,

Rev 17:12

*And the ten horns
which thou sawest are
ten kings, **which have
received no kingdom
as yet; but receive
power as kings one
hour with the beast.***

**There WILL BE an attempt at Global Socialism orchestrated by Ten
Powerful men who wish to control the world.**

Dan 2:42-44

42 And as **the toes** of the feet were part of iron, and part of clay, so
the kingdom shall be partly strong, and partly broken.

43 And whereas thou sawest iron mixed with miry clay, **they shall
mingle themselves with the seed of men: but they shall not
cleave one to another**, even as iron is not mixed with clay.

44 And **in the days of these kings** shall the God of heaven set up a
kingdom, which shall never be destroyed.

KYOTO, Japan — The world’s latest, would-be environmental guru certainly has the political connections to carry his message to the top, and he’s no longer encumbered by the bonds of conventional diplomacy.

However, critics are already questioning his qualifications based on a track record that includes a role in official attempts to cover up the 1986

He debuted last week as founding president of the newly organized International Green Cross, which bills itself as the world's first all-encompassing global environmental group.

"The civilization that has existed for centuries is beginning to exhaust its potential, and is no longer able to preserve and improve life on Earth," Gorbachev declared as the group's charter was adopted at a meeting here of religious leaders, legislators and scientists from around the world. "For the first time, we see a threat to the very existence of the human race. . . . For the first time, we see signs of danger to the very stability of the biosphere."

Because of the sudden absence of traditional enemies, "new enemies must be identified."

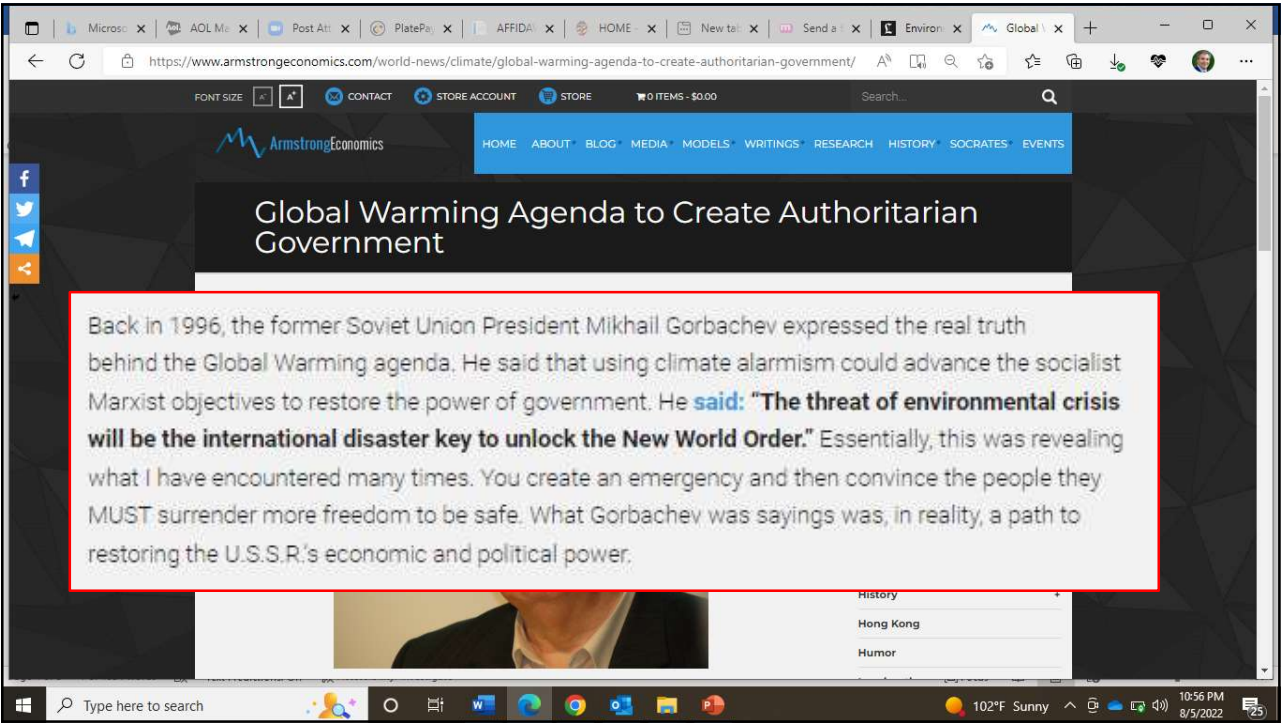

"In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill...All these dangers are caused by human intervention, and it is only through changed attitudes and behavior that they can be overcome. The real enemy then is humanity itself."

Billionaires Try to Shrink World’s Population, Report Says

By Robert Frank

May 26, 2009 11:57 am ET

Last week’s meeting of the Great and the Good (or the Richest and Richer) was bound to draw criticism.

The New York meeting of billionaires Bill Gates, Warren Buffett, David Rockefeller, Eli Broad, George Soros, Ted Turner, Oprah, Michael Bloomberg and others was described by the Chronicle of Philanthropy as an informal gathering aimed at encouraging philanthropy. Just a few billionaires getting together for drinks and dinner and a friendly chat about how to promote charitable giving.

“Their...aim is nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled in a feudalistic fashion by the central banks of the world acting in concert, by secret agreements arrived at in frequent meetings and conferences.”
